

Dianne K. Palladino

Curriculum Vitae

Email: dkpalladino@cmu.edu

Education

Carnegie Mellon University

Ph.D. Expected Graduation: May, 2013

Social and Health Psychology

Advisor/Committee Chair: Dr. Vicki Helgeson

Committee Members: Dr. Sheldon Cohen, Dr. J. David Creswell

Research Focus: 1) Psychosocial factors that affect adherence to medical regimens for individuals with chronic diseases, particularly teens with diabetes. 2) The relationship between stress and metabolic control.

Georgia Institute of Technology

B.S. May 2008 with Highest Honor

Major: Psychology/Research Option

Clarkson University

B.S. May 1989

Major: Industrial Distribution

Concentration: Manufacturing Engineering

Pre-Program Research Experience

Research Associate (June 2008 – Present). Advisor: Dr. Julie Downs. Carnegie Mellon University. Social and Decision Sciences.

Research Assistant (Jan 2006 – August 2008). Advisor: Dr. Bruce Walker. Georgia Institute of Technology. School of Psychology.

Research Assistant (Sept 2005 – May 2006). Advisor: Dr. Paul Corballis. Georgia Institute of Technology. School of Psychology.

Research Assistant (Sept 1994 – Jan 1995). Advisor: Dr. Michael Hasselmo. Harvard University. School of Psychology.

Research Assistant (Aug 1992 – Dec 1992). Advisor: Dr. Elizabeth C. Tingley. University of Texas at Dallas. School of Psychology.

Research Assistant (May 1992 – Dec 1992). Advisor: Dr. Christopher Frederickson. University of Texas at Dallas. School of Psychology.

Honors/Awards

Richard K. Mellon Fellowship for the Life Sciences, CMU, 2009-2010

Faculty Honors: Spring, 2007. Georgia Institute of Technology
Summer, 2006. Georgia Institute of Technology
Spring, 2006. Georgia Institute of Technology

Dean's List: Fall, 2007. Georgia Institute of Technology
Spring, 2007. Georgia Institute of Technology
Fall, 2006. Georgia Institute of Technology
Summer, 2006. Georgia Institute of Technology
Spring, 2006. Georgia Institute of Technology
Fall, 2005. Georgia Institute of Technology
Spring, 1987. Clarkson University
Fall, 1987. Clarkson University

Nominee from School of Psychology for College of Sciences' Outstanding Undergraduate Researcher, Spring 2008

President's Award for Undergraduate Research (PURA) Salary Grant, Summer, 2007

President's Award for Undergraduate Research (PURA) Travel Grant, Summer, 2007

Psi Chi – National Psychology Honor Society (Vice President)

Golden Key – International Honor Society

Eta Tau Iota – Industrial Distribution Honor Society

Alpha Omega – Clarkson University Greek Honor Society

Presentations

Institute-Wide Undergraduate Research Spring Symposium, Spring 2007

International Conference for Auditory Display: Montreal, Canada, Summer, 2007

Publications/Conference Proceedings

Palladino, D. K., Walker, B. N. (2008). Navigation efficiency of two dimensional auditory menus using spearcon enhancements. *Proceedings of the Annual Meeting of the Human Factors and Ergonomics Society (HFES2008)*, New York, NY (22-26 September). pp. 1262-1266.

Palladino, D. K., Walker, B. N. (2008). Efficiency of spearcon-enhanced navigation of one-dimensional electronic menus. *Proceedings of the International Conference on Auditory Display (ICAD 2008)*, Paris, France (24-27 June). pp. 1-6.

Palladino, D. K., Walker, B.N. (2007). Learning rates for auditory menus enhanced with spearcons versus earcons. *Proceedings of the International Conference on Auditory Display (ICAD 2007)*, Montreal, Canada (26-29 June). pp. 274-279.

Senior Thesis

Palladino, D. K. (2007). *Efficiency of spearcon-enhanced navigation of one dimensional electronic menus*. Unpublished Partial requirement for research option designation, Georgia Institute of Technology, Atlanta.

Affiliation

American Psychological Association
Association for Psychological Science

Society for Personality and Social Psychology
American Diabetes Association
American Association for the Advancement of Science

Service

- Student Grant Contest Reviewer for Association for Psychological Science, Fall, 2009
- Founder/Associate Editor of Submission and Review/Editor-In-Chief of "The Tower" – UG Research Journal of the Georgia Institute of Technology
- Member of Student Advisory Board for Undergraduate Research (Georgia Tech)
- Student Member of Undergraduate Curriculum Committee - Georgia Tech School of Psychology
- Website Editor – ICAD.org (International Community for Auditory Display)
- Student Research Reviewer for Association for Psychological Science, Spring 2007
- Student Grant Contest Reviewer for Association for Psychological Science, Fall 2006
- Student Research Reviewer for Association for Psychological Science, Spring 2006
- Student Grant Contest Reviewer for Association for Psychological Science, Spring 2006

Foreign Languages

German (Novice-Intermediate Fluency – Reading, Writing, Speaking, Listening)

Workshops Attended

Ecological Momentary Assessment Analysis, PMBC, Fall, 2009
Writing NSF and Other Fellowship Proposals, Spring 2007
Presenting With Power, Spring 2007
Eye-Catching Research Posters, Spring 2007
Endnote – Bibliographies Made Easy, Spring 2007
ePrime, Spring 2006

Fraternal Organizations

Alumna '89, Phi Mu Fraternity (National Social Sorority)

Selected Software and Programming Languages

Experiment Dev/Analysis Tools: Presentation, ePrime, SPSS, Director
Programming Languages: VB, (X)HTML, ASP, VBScript, JavaScript, SQL, XML, MatLab, Lingo, Python
General Understanding: C/C++, Java
Operating Systems: Win XP, Windows NT, Win 2000, Windows 95/98, Mac OS X
Databases: Oracle, SQL Server, MS Access, Sybase, Paradox, MySQL
Design Tools: Fireworks, Flash, Photoshop, Dreamweaver, InDesign, Director
Other: MS Office, MS Project, Visio, CSS, OOP, Endnote
